MESSAGE

CONGRATULATIONS to all Completers and Graduates of SY 2022-2023!!!

This year's theme, "**Gradweyt ng K to 12: Hinubog ng Matatag na Edukasyon**" (K to 12 Graduates: Molded through a Resilient Educational Foundation) speaks of your hopes and courageous heart in overcoming all the trials and challenges you have faced and perhaps may yet meet in your life.

This momentous occasion embodies your resilience as you struggled to accomplish all the tasks demanded of you from your schooling. This **resilience** has been achieved through the support of your Alma Mater, your loved ones and the whole community who have assisted you through the events of teaching-learning years.

Celebrate this completion/graduation ceremony with profound joy and deep pride in what you have achieved. Think of those who have assisted you to reach this far. Offer your achievements as proofs of your resilience.

May you continue to persevere amidst challenges as you pursue what is truly worthy and meaningful in life. May you continue to be steadfast and focus in pursuing your dreams no matter what the odds are or will be. Why? Remember that no one can absolutely claim that life is just a simple peaceful journey. However, *life is good and beautiful with all the ups and downs; successes and failures; smiles and tears...what matters most is when you could rebound and recover from those adversities.*

May you continue to be the light for everyone.

Again, CONGRATULATIONS and GOD BLESS!!!
